

Dakota Boosters Executive Board Meeting

September 14, 2015

Board members Maureen Lafleure, Kelly Swanson, Christina Akoma, Diane Micale, Michelle Alfred, Scott Zmija, Jackie Ribbentrop and Blair Malian were in attendance.

The meeting was called to order at 6:15 pm.

The board reintroduced themselves and their roles on the board.

Kelly (Vice President) stated that the Pepsi cooler's wheels are still in need of repair and that she will contact the Pepsi representative.

Scott (Sports Trustee) sent a letter via email to all coaches introducing himself and his role as sports trustee. He explained the opportunities available to their athletes' parents to volunteer through Boosters and receive a monetary credit which will be donated to the sport/club of their choice.

Scott will contact Mr. Fusco's secretary to request that Boosters be notified asap if there is a schedule change with any of the home games where concessions will be open.

Scott will also reorder new wheels for the outside grill.

Christina (Treasurer) will continue to order the Pepsi and related items. She is also handling the procurement of quotes for the new scoreboard for the gym. The company for the third quote has not yet called her back.

Christina reminded all members to include the old money bag in the new one as the bar codes are tracked on all of the bags. This was an item in the last year's audit.

Christina still needs receipts from the pizza ordered on August 28th and one on the 29th. Jets is to send Christina an invoice before the grand total reaches \$1000.00.

It is ok to tip the pizza delivery person. Make sure to write tip given on the receipt that we keep. The amount is dependent upon how many pizzas are being delivered and how many trips he will be making to the school that evening. The total tip should not exceed \$10.00.

Jackie (Webmaster) will be posting all October game volunteer slots tomorrow. Maureen and the board commended her on what a wonderful job she is doing. Website is up to date and sign up genius is working well.

Michelle (Service) will obtain pamphlet of all school activity groups with representative contact names so she will be able to communicate with them to be updated with upcoming activities throughout the school year.

It was agreed upon to order the 50 all beef hot dogs per box. They are larger and there is a minimal price difference with the 80 hot dogs/box.

Grace (Fine Arts Trustee) and Michelle still need keys. Maureen will follow up.

Meeting adjourned at 7:00 pm.

Next meeting will be October 13, 2015 at 6:30 pm.
